

# G Slimline

STAINLESS STEEL SUBMERSIBLE PUMP FOR 4" AND LARGER WELLS

5, 7 & 10 GPM - UP TO 1½ HP - VFD COMPATIBLE

## Effortless installations come standard with the slim design of the G Series

### FEATURES

- **Slim design for ease of installation:** The pump's slim diameter of 3.75" allows for easier installation in tight wells.
- **Powered for continuous operation:** All ratings are within the working limits of the motor as recommended by the motor manufacturer. Pump can be operated continuously without damage to the motor.
- **Field Serviceable:** Units are field serviceable with common tools and readily available repair parts.
- **Sand Handling Design:** The face clearance and floating stack has proven itself for over 40 years as a durable and superior design. Includes wrap-around suction strainer.
- **Corrosion Resistance:** New stainless steel discharge head and motor adapter combined with stainless steel casing and cable guard.
- **Check Valve:** An integrated spring-loaded check valve makes it easily replaceable without disassembly.
