

# HYPRO® POLY DIAPHRAGM PUMP SERIES

Smooth-Operating, Three-Cylinder Design

## Features & Benefits

- Glass-filled polypropylene construction of head, manifold and control components for the maximum in chemical resistance
- Flow rate up to 11.5, 15.6 and 20.2 gpm and pressure up to 290 psi
- 3 cylinder design eliminates the need for pulsation dampening devices and lengthens the life of the entire pumping system
- Kynar® and 300 series stainless steel valve design for higher flow and better corrosion resistance
- Unique piston design for longer diaphragm life due to improved hydraulic support behind diaphragms
- Optimized GS25 control unit specially designed for better control of DP423 outputs and pressures
- Optimized GS35S control unit specially designed for better control of DP573 and DP763 outputs and pressures
- Lightweight gear reducer with multiple fins cast into casing for added strength and excellent heat dissipation
- Strong gear reducer rated up to 6.5 hp (gas engine) with ball and needle bearing supported 3/4" shaft for gas engine
- Oil sight glass for visual oil inspection minimizes problems with crankcase
- The external inlet and outlet manifold design vs. an internal manifold design allows for easy valve replacement and lower cost repairs
- Hydraulic motor mounting flange available for driving with SAE 2 bolt A motors

DP423

DP573

DP763

The polypropylene diaphragm pump series is built with polypropylene heads and manifolds for corrosion resistance.

The engineered plastic control unit is easily accessible and actuates smoothly between spray and bypass.

The oil sight glass is positioned at the top of the pump body, reducing the chance for breakage.

# HYPRO® POLY DIAPHRAGM PUMP SERIES

## Specifications DP423

Pressure in PSI and BAR	GPM	HP								
	LPM	HP

## Order Information

Part Number	Description
9910-DP423	11.0 gpm Poly Diaphragm Pump
9910-DP423GRGI	11.0 gpm Poly Diaphragm Pump with Gearbox and Control Unit
9910-GS25	Control Unit (DP423)
9910-DP573	15.0 gpm Poly Diaphragm Pump
9910-DP573GRGI	15.0 gpm Poly Diaphragm Pump with Gearbox and Control Unit
9910-DP763	20.0 gpm Poly Diaphragm Pump
9910-DP763GRGI	20.0 gpm Poly Diaphragm Pump with Gearbox and Control Unit
9910-GS35S	Control Unit (DP573 & DP763)
