

EC SERIES

Economical
Cast Iron
End Suction
Centrifugal
Pumps

Complete
Pumps Available
For Immediate
Shipment

Available

- 1/2 HP
- 3/4 HP
- 1 HP
- 1.5 HP
- 2.0 HP
- 3.0 HP

Heavy Duty Cast Iron Construction
Back Pull-Out Design
NEMA Motors

Flow Rate Up To 120 GPM
Pressure Up To 140 TDH

Ideal For Light Industrial/
Commercial Water Transfer Services

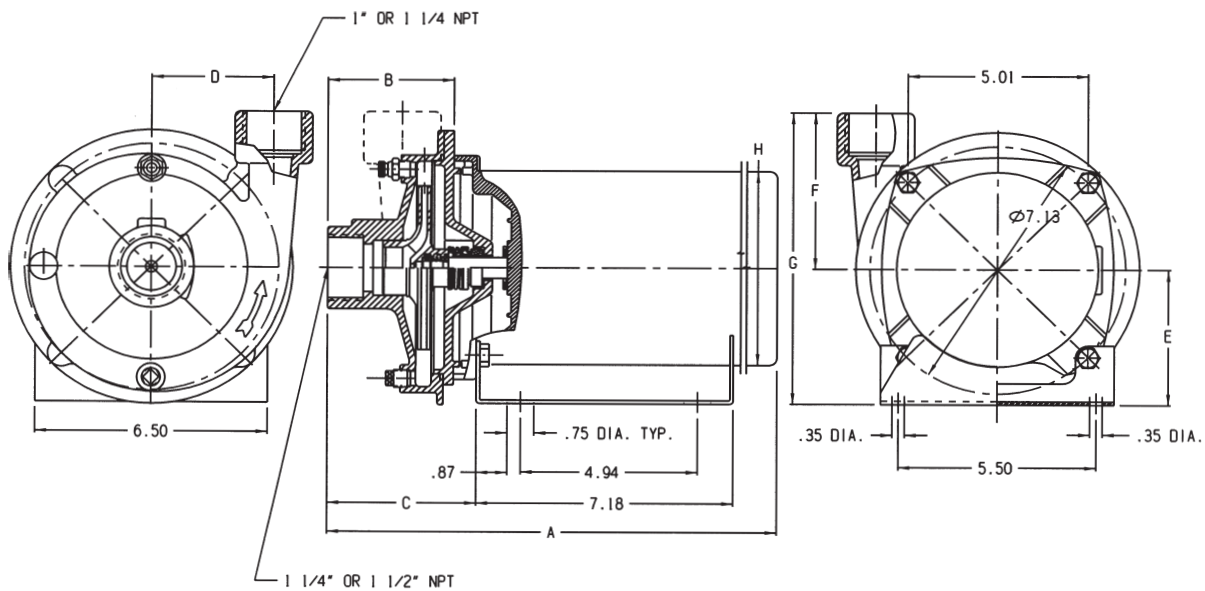

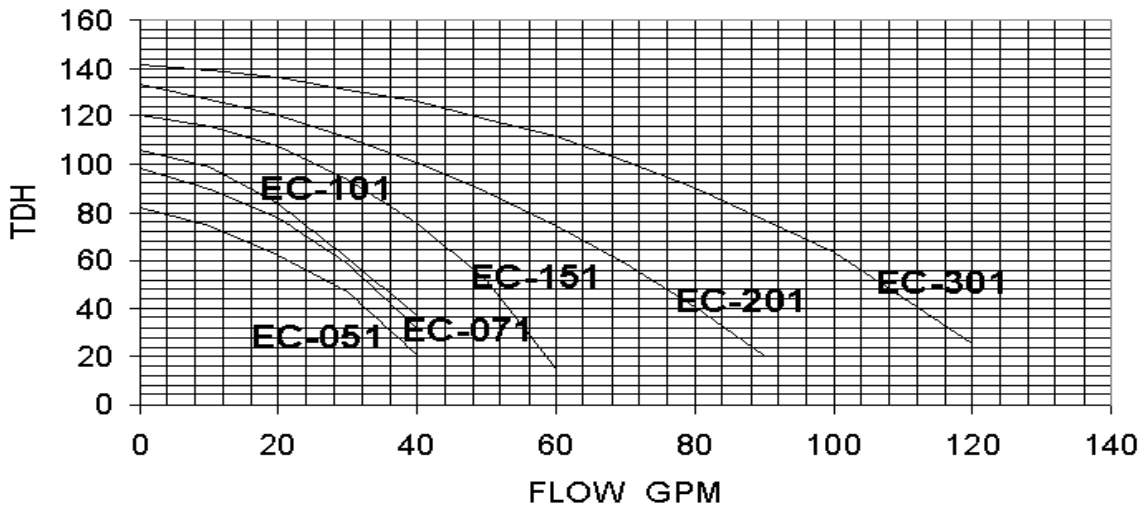

Pump Specifications

Seal.....	Carbon/Ceramic/Buna
Housing.....	Cast Iron
Impeller.....	Noryl
Max. Temperature.....	160°F
