

Performance Curves

NOTES

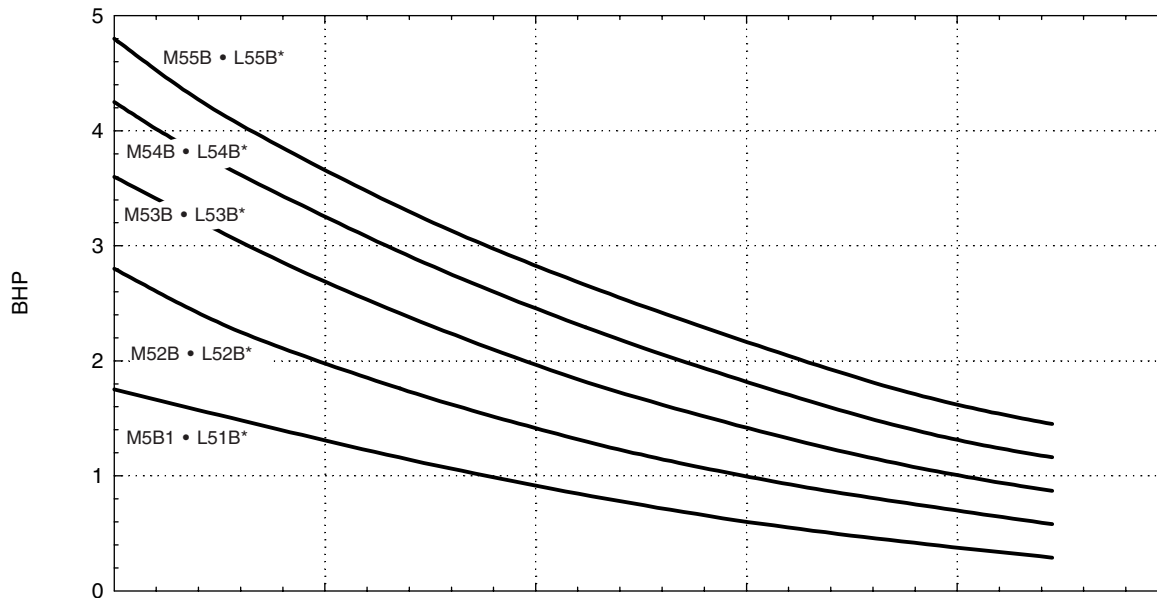

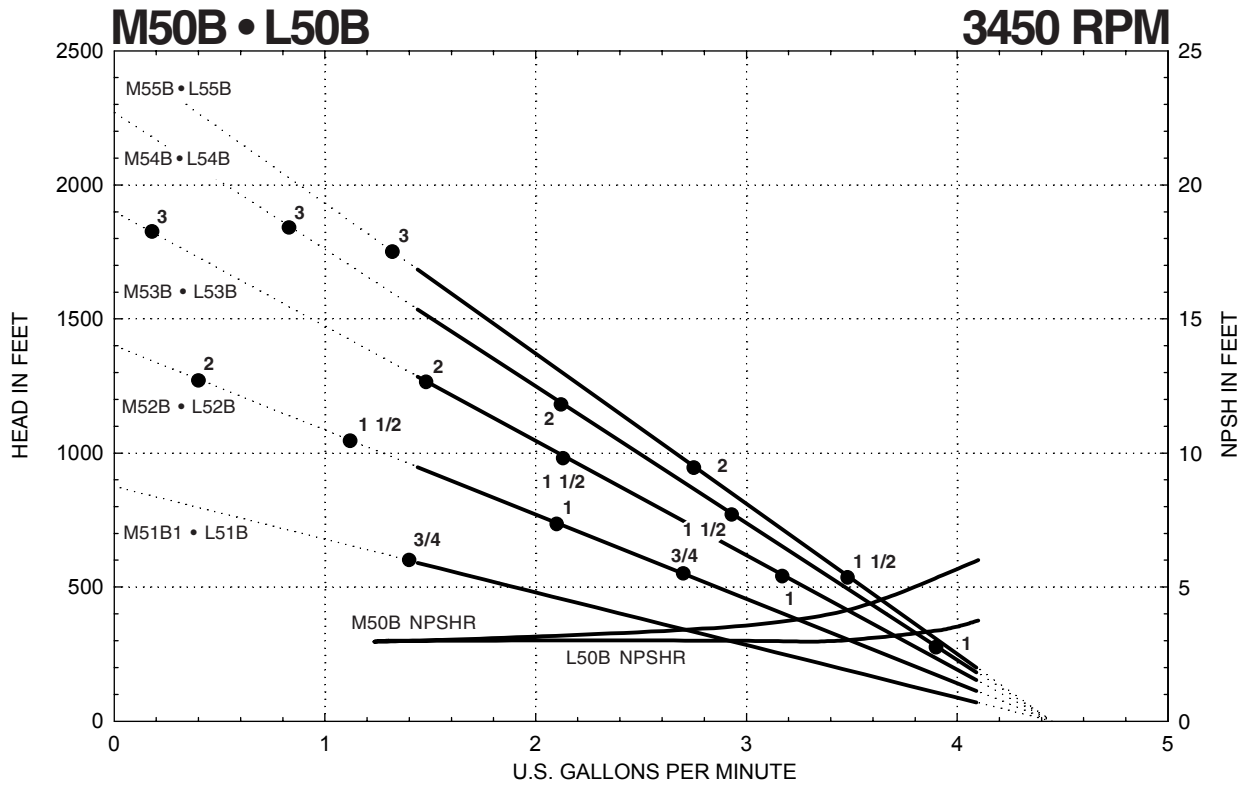

- Indicates Motor Horsepower Rating for Standard MTH Motors
- Recommended Operating Range
- - - Acceptable Operating Range
- Horsepower data is valid for 1.0 specific gravity fluids only

401 West Main Street • Plano, IL 60545-1436
Phone: 630-552-4115 • Fax: 630-552-3688

M50 • L50 SERIES

Performance Curves

NOTES

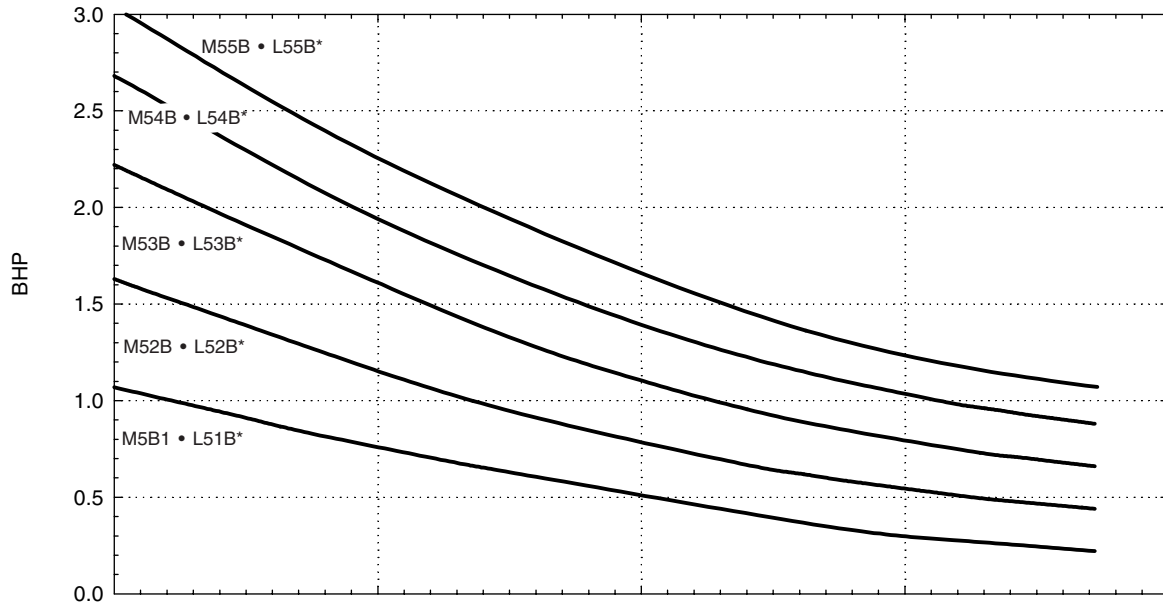

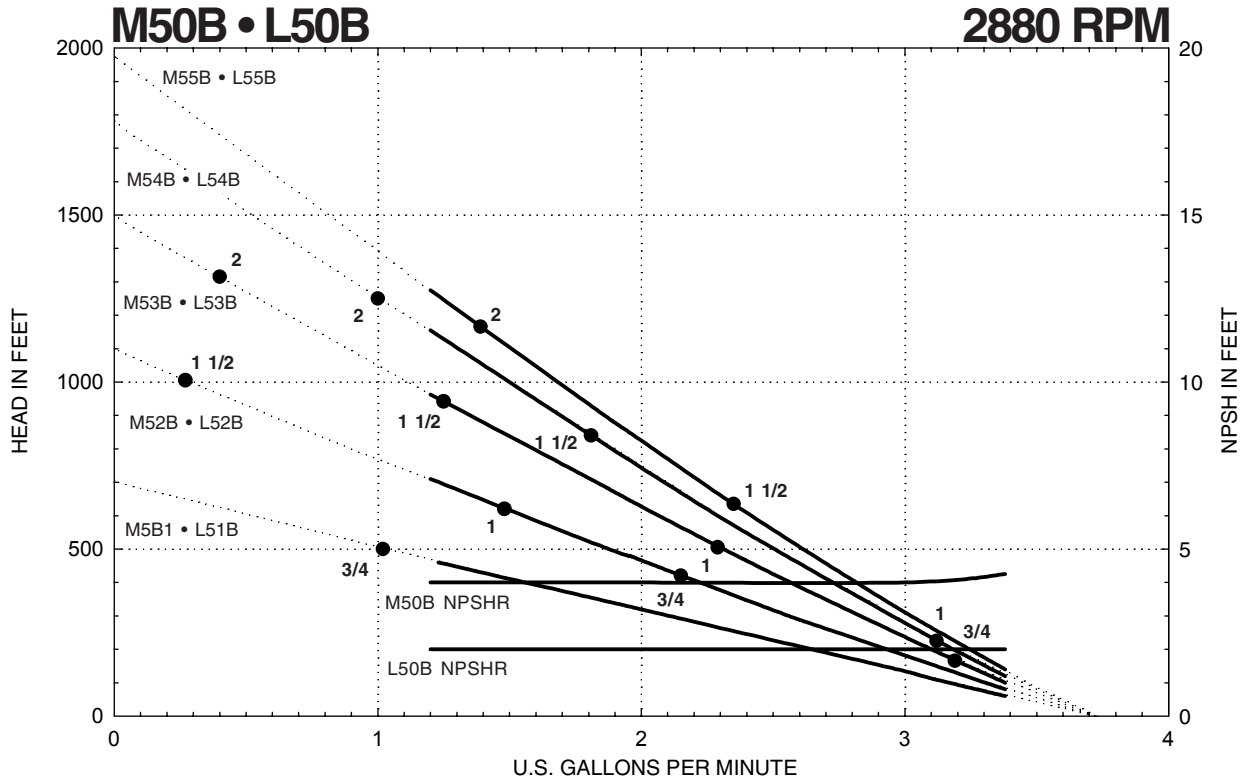

- Indicates Motor Horsepower Rating
Using the Service Factor for Standard MTH Motors
- Recommended Operating Range
- · · · · Acceptable Operating Range
- *Add .43 horsepower for L50B Inducer Models
- Horsepower data is valid for 1.0 specific gravity fluids only

MTH PUMPS

401 West Main Street • Plano, IL 60545-1436
Phone: 630-552-4115 • Fax: 630-552-3688

Performance Curves

NOTES

● Indicates Motor Horsepower Rating for Standard MTH Motors

— Usable Operating Range

⋯ Refer to Factory for Operation in this Range

*Add .26 horsepower for L50B Inducer Models

Horsepower data is valid for 1.0 specific gravity fluids only

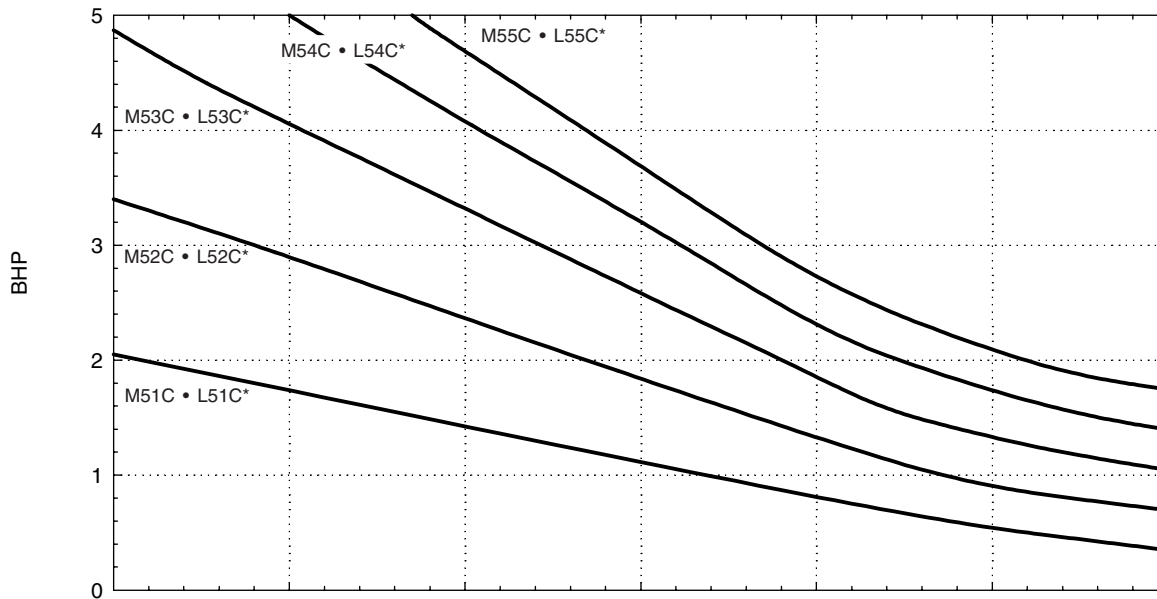

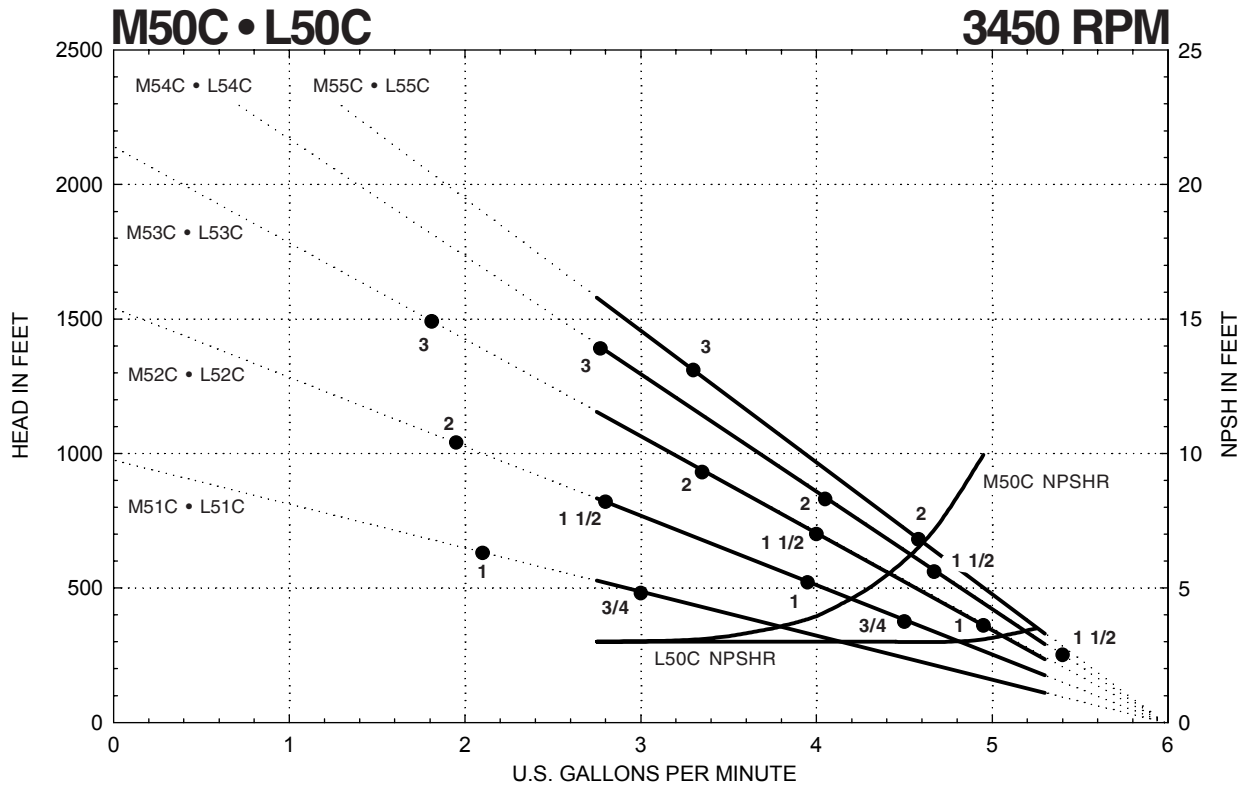

MTH PUMPS

401 West Main Street • Plano, IL 60545-1436
Phone: 630-552-4115 • Fax: 630-552-3688
