PUMPING PRINCIPLES 2-4

A detailed description of how each of the pumping principles employed by marine pumps move liquid

AIR CONDITIONING AND REFRIGERATION 5-10, 70-80

Self-priming and flooded suction replacement pumps for all manufacturers including Marine Air, Cruisair, Grunert, Aqua-Air, Mermaid, etc. or your unique custom systems

WATER SYSTEMS 11-18, 67

Large AC to miniature DC water systems, accumulator tanks, pressure regulators, fittings, hoses and clamps

WASHDOWN AND LIVEWELL 19-24, 30, 36, 70-80

High flow/low pressure and high pressure/low flow washdown and livewell pumps in AC, DC, clutch and hydraulic drive

BILGE AND SHOWER SUMP 25-36

Automatic and manually operated submersible and self-priming pumps for bilge and shower sumps in DC, AC, belt, clutch and pneumatic operation, float and level switches

OIL CHANGE AND FUEL TRANSFER 37-44, 81-86

Reversible and uni-directional oil change and fuel transfer pumps in AC, DC, pneumatic, and manual operation

MACERATORS AND TOILETS 45-52, 68-69, 142-144

Electric and manually operated macerator/solids handling pumps and toilets, service parts for Jabsco, Groco and Galley Maid toilet systems

ACCESSORIES 24, 30, 53-62, 148

Search lights, AC and DC blowers, bronze and plastic strainers, bronze and plastic thru-hulls, bronze seacocks, bronze and plastic fittings, bilge, water systems and sewage hoses

MEGA YACHT AND SHIP 63-86

Large and custom configured pumps to meet the unique requirements and stringent regulations often required on larger vessels including MCA, Lloyds, ABS, USCG and international motor voltage requirements

ENGINE COOLING AND PARTS BREAKDOWNS 87-148

Extensive engine pump cross-references and parts breakdowns, discontinued and restricted pump repair information and parts listings for toilets, utility pumps and strainers

IMPELLER CHARTS AND TROUBLESHOOTING GUIDE ... 149-158

Impeller silhouette charts for Jabsco, Johnson, Sherwood and Oberdorfer along with troubleshooting guides for flexible impeller, diaphragm, gear and centrifugal pump

INDEXES (Pump Brand, Engine Brand And Model Number) 159-160

Quick reference by description, pump brand, engine/generator brand, or by specific pump model number for Jabsco, Oberdorfer, Sherwood or Johnson
