

JABSCO ELECTRIC AND MANUAL TOILETS

JABSCO

TWIST 'N' LOCK MANUAL TOILET

Jabco's latest version of the manual toilet offers extra safety and peace of mind. The new Twist 'n' Lock action handle guards against syphonic flooding and waste backflow. With one easy 90 degree turn of the handle, the lock is applied. The pump assembly is angled forward to provide a natural smooth stroke action and the top-mounted 'Dry Bowl' selector is easy to operate. Pump and base can be assembled for left-hand operation. Available with either a compact bowl or regular size bowl. Service kit # 29045-3000. See page 162 for parts for all 29090-Series models.

Model	Bowl Size	Height	Width	Length	Weight Lbs.
JA 29090-3000	Compact	13 1/2"	17 3/4"	16"	20.5
JA 29120-3000	Household	13 3/4"	18 1/2"	19"	23.5

ELECTRIC MARINE TOILET

This electric marine toilet is available with either a compact white vitreous china bowl or larger yacht-size bowl (Series 1000) which is equipped with a standard household type seat and lid. It is equipped with a dual function pump which eliminates having to mess with hand pumps and dry bowl valves. With the single push of a button, the self-priming flush pump rinses the bowl as the macerator and high capacity scavenger pump grinds up waste and pumps it out.

Included with the toilet is a heavy duty push-button switch and 1" to 1 1/2" hose adaptor for the discharge hose. Inlet: 3/4", outlet: 1". Service kit #JA 37040-0000. See page 163 for parts.

Model	Volts	Amp Draw	Fuse/Brkr.	Height	Width	Length	Ship Wt. Lbs.

ELECTRIC TOILET BASE ASSEMBLY

The electric toilet base assembly offers an economical way to own an electric toilet because it utilizes existing manual toilet bowl and seat/lid assembly. It can be fitted with the Raritan P.H. or Compact, Wilcox Crittenden "Head Mate", Groco HC and Sealand (Mansfield) 750 through 752 series china bowls. It also fits any PAR or Brydon 59128 series or Jabco 29090 and 29120 series, and virtually any other marine toilet using a 3 3/4" (95 mm) diameter bolt circle with 4-hole pattern.

A heavy duty push-button switch and 1" to 1 1/2" hose adaptor for the discharge port plus all clamps and fasteners to complete the conversion are included. Inlet: 3/4", outlet: 1". Service kit #JA 37040-0000. See page 163 for parts.

Model	Volts	Amps	Fuse/Brkr.
JA 37010-0092	12 vdc	16	25

ELECTRIC FLUSH PUMP CONVERSION

Jabco's electric flush pump easily converts manually operated toilets to the convenience of electric operation. With the optional adaptors listed below it can be installed on almost any manual toilet. The toilet flushes by simply turning the large control knob on top of the pump. Select either 'flush' to rinse, macerate and evacuate, or 'drain' to drain liquid from the bowl. Inlet port fits 3/4" hose and discharge fits 1 1/2" hose. Height: 10 1/2", Width: 4", Depth: 7 3/4", Weight: 8 lbs. Service kit # JA 29101-0000. See page 161 for parts.

Toilet Model	Mounting Configuration	Adaptor Kit
GROCO HE, GROCO HF	3 Hole Equilateral Triangle	JA 29080-0000
Raritan Compact, Raritan PH and PH II, Sealand 752	4 Hole Square Pattern	JA 29110-0000
Wilcox Crittenden Head Mate 1460 C, Wilcox Crittenden Winner R4042C*	4 Hole Square Pattern	JA 29128-0000

*Requires minor repositioning of discharge hose.

Model Number	Volts	Amp Draw	Fuse/Brkr.
