

HF MANUAL TOILET

The Groco HF toilet is available with a bronze or plastic base. Each toilet comes complete with T-handle, long stroke piston pumping mechanism, and a 90° discharge (straight discharge is available – part #GC HA-13.) (See page 133 for parts.)

Model Number	Base Material	Color	Dimensions in Inches
GC HF-P	Plastic	White	13.13H x 18.9W x 17D
GC HF-B	Bronze	White	12.75H x 17.4W x 17D

K-H MANUAL OR ELECTRIC TOILET

The Groco K-H toilet has an all bronze pump, a household size bowl, and is available in manual or electric operation. You can choose among white, bone, or gray for your bowl color and adjust your flow up to 4 gpm. (See page 133 for parts.)

Manual Model	12 vdc Model	24 vdc Model	32 vdc Model	Color	Dimensions in Inches (Height, Width, Depth)
GC K-H	GC K-H 12V	GC K-H 24V	GC K-H 32V	White	17.25 x 15.50 x 18.70
GC K-H1	GC K-H1 12V	GC K-H1 24V	GC K-H1 32V	Bone	17.25 x 15.50 x 18.70
GC K-H2	GC K-H2 12V	GC K-H2 24V	GC K-H2 32V	Gray	17.25 x 15.50 x 18.70

ELECTRIC CONVERSION KIT FOR EA, EB, & K

The Groco electric conversion kit converts your Groco EA, EB, and K manual toilets to electric operation. It features a cast bronze gearbox and connecting arm, bronze gear, hardened steel worm drive, and wall switch.

Model Number	Volts	Amp Draw
GC EB/K Conv. 12V	12vdc	18
GC EB/K Conv. 24V	24vdc	8
GC EB/K Conv. 32V	32vdc	6
