

JABSCO / PERKO

JABSCO & PERKO BILGE STRAINERS

Bilge strainers protect self-priming bilge pumps from the potential of damaging debris being sucked up into the functioning interior of the pump. They come in a variety of configurations and sizes to meet your mounting requirements.

Hose/Pipe Size	Model Number	Brand	Construction	Length	Width
5/8" Barb	PK 709 DP PLB	Perko	Cast Bronze	3 5/8"	1 3/4"
