

JET STREAM NOZZLE

Swivel, Quick Release, Check Valve

HIGH PRESSURE SALT WATER WASHDOWN NOZZLE

Most nozzles last only three months in the marine environment. The Jet Stream is guaranteed to last a minimum of 1 year! It is a true saltwater rated gun with stainless spring, swivel head, quick release hose attachment, locking trigger, built-in check valve, 3/4" GHT inlet port, and protected water channel.

Model Number	Description
DP Nozzle Kit	Jet Stream nozzle with quick connect swivel check valve
DP Connector	Extra check valve connector

RULE PANEL SWITCHES

Rule bilge pump panel switches come with a variety of optional features from indicator lights to a rocker switch. Manual-off-automatic settings come standard on all the switches listed below.

Model Number	Volts DC	Max Amps	Description	Dimensions (Height x Width)
RU 41	12	20	Lighted 3 way switch	2.0" x 3 1/4"
RU 42	24/32	20	Lighted 3 way switch	2.0" x 3 1/4"
RU 43	12	20	Lighted 3 way rocker switch	2 3/8" x 2 7/8"
RU 45	12/24/32	20	3 way switch	2.0" x 2 1/4"
RU 49 PWC	12/24/32	20	2 way on/off switch	1.0" x 1 1/2"

LIVEWELL SPRAY HEAD, FLOW CONTROL AND OVERFLOW

The RU 78 Oxygenator Spray Head sprays into your livewell from your pump. Its knob allows you to adjust the flow of water. The RU 75 variable flow control valve also allows flow control but without the spray effect. The RU 76 is an adjustable overflow fitting that can be cut at a chosen height to maintain the desired water level in your livewell tank.

Model Number	Port Size	Description
RU 78	3/4" Barb	Oxygenator Spray Head
RU 75	3/4" Barb	Variable Flow Control Valve
RU 76	1 1/2" Barb	Overflow Baitwell Fitting

HOSE, THRU-HULL, AND CLAMPS

LIVEWELL AND BILGE HOSE, THRU-HULLS AND HOSE CLAMPS

Below are the common hoses, thru-hulls and hose clamps used in the installation of livewell and bilge pump systems. Additional sizes and materials of construction can be found on page 57 and 58.

Accessory	Size	Part Number	Description
Hose	3/4" ID	UN 141-0340	Bilge and livewell hose
Hose	1 1/8" ID	UN 141-1180	Bilge and livewell hose
Hose	1 1/2" ID	UN 141-1120	Bilge and livewell hose
Thru-hull	3/4" Barb	RU 61S	Plastic (elbow style RU 61)
Thru-hull	1 1/8" Barb	RU 60	Plastic construction
Thru-hull	1 1/2" Barb	RU 59	Plastic construction
Hose Clamp	3/4" Hose	GY 620-010	Clamp for 5/8" - 1 1/8"
Hose Clamp	1 1/8" Hose	GY 620-016	Clamp for 3/4" - 1 1/2"
Hose Clamp	1 1/2" Hose	GY 620-020	Clamp for 3/4" - 1 3/8"
