This new stylish 5" searchlight from Jabsco has an electronic control that includes an automatic 20 sweep feature and two speed movement (fast for searching and slow for pinpointing a target). Plus, there is a preprogrammed "SOS" distress signal for emergencies. Optional secondary full control panels for dual helm stations are available below for the 61050-1224 (see below for secondary controls and extension harnesses for the 61050-0012).

Model Number	Size	Candlepower	Volts DC	Fuse Size	Replacement Bulb
JA 61050-0012	5"	100,000	12	10 amps	JA 18753-0528
JA 61050-1224	5"	100,000	12/24	10 amps	JA 18753-0528

200,000 - 600,000 CP CHROMED BRASS SEARCHLIGHTS

These Jabsco premium searchlights with digital multi-function processor control have heavily chromed all brass beam housings and bases. Optional secondary full control panels for dual helm stations are available below.

Model Number	Size	Candlepower	Volts DC	Fuse Size	Replacement Bulb
JA 63042-0012	6"	600,000	12	15 amps	JA 64046-0007
JA 63042-0024	6"	600,000	24	20 amps	JA 64046-0008
JA 63022-0012	6"	200,000	12/24	15 amps	JA 64046-0006

SECONDARY REMOTE CONTROL FOR ABOVE SEARCHLIGHTS

Secondary Remote Control kits allow searchlights to be operated from both upper and lower helm stations. Kit includes secondary control panel, Y-adaptor and 15 ft cable. Secondary harness must be selected from Extension Harness options.

Model Number	Description
JA 64044-0000	12/24 Volt DC

EXTENSION HARNESS FOR ABOVE SEARCHLIGHTS

Extension harnesses enable remote controls to be fitted further from the light than standard cables allow, and are needed to install secondary remote control kits.

Model Number	Description
JA 64042-1011	10' harness
JA 64042-1007	15' harness
JA 64042-1008	25' harness
JA 64042-1009	50' harness
