

Moyno® 500 Sanitary Pumps

The Small Pump Packed with Performance Value

New Moyno® 500 Sanitary Pumps offer low flows and high performance in a compact, cost-effective size. An extension of our popular Moyno Sanitary pump line, versatile Moyno 500 Sanitary Pumps feature 316 stainless steel materials of construction to meet 3A sanitary design standards, as well as elastomers that satisfy FDA requirements. The exclusive Quick Disassembly Clamp makes pump disassembly and cleaning easy, reducing maintenance and labor costs.

CERTIFICATE No. 101442

Always the Right Solution™

Moyno® 500 Sanitary Pumps

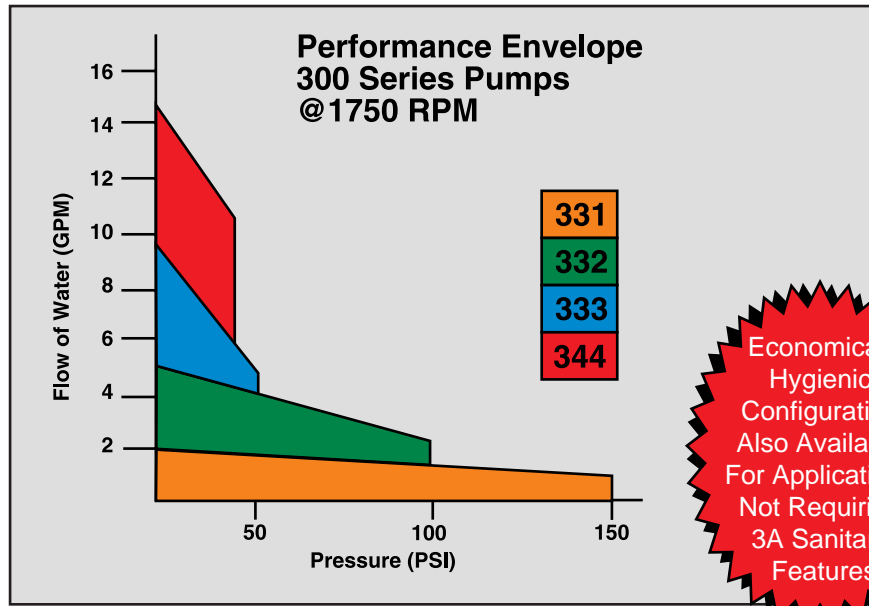

Outstanding Features for Unsurpassed Value
